### Report:

India began administration of COVID-19 vaccines on 16 January 2021. India, 95% of the eligible population has received at least one shot, and 80% of the eligible population is fully vaccinated. India initially approved the Oxford–AstraZeneca vaccine (manufactured under license by Serum Institute of India under the trade name Covishield) and Covaxin (a vaccine developed locally by Bharat Biotech). They have since been joined by the Sputnik V manufactured under license by Dr. Reddy's Laboratories, with additional production from Serum Institute of India being started in September, Moderna vaccines, Johnson & Johnson vaccine and ZyCoV-D and other vaccine candidates undergoing local clinical trials.

AWARENESS ON ANTI DRUG AND DISHA APP

Date:06-10-2021

VENUE: CAMPUS.

**Report:** “Various government departments along with the Andhra Pradesh police are organizing extensive awareness programs on the Disha application’s download, features, and usage,” the government said. As per a statement, the Andhra Pradesh government passed the Disha Bill intending to provide better security and protection towards citizens, mainly women and report instances of harassment, sexual harassment, and other crimes against women. The app has expedited the investigation of cases related to atrocities against women and led to taking appropriate steps to direct these cases through the legal system with the required evidence. COVID-19 has brought unprecedented public awareness on health, protective measures for staying healthy, and most importantly, and on protecting each other. A growing sense of global community and solidarity continues to emerge, as does the need to ensure health care for all.

POLICE COMERATION ONE DAY RALLY  
VENUE: NUNNA.

Date: 27/10/2021

### Report:

The National Police Memorial in India commemorates the 34,844 police personnel from all of the central and state police forces in India who have died in the line of duty since the nation's Independence in 1947. Located in New Delhi's Chanakyapuri area, the 6.12 acres (2.48 hectares) memorial consists of a 30-foot (9.1-metre) tall and 238-tonne (234-long-ton; 262-short-ton) heavy black granite central sculpture, a museum and a 'Wall of Valour' bearing the names of all 34,844 police personnel who have died in the line of duty. The underground museum is the first police museum of its kind in India, and showcases over 2000 years of policing in the region, since the time of Kautilya's system of law and order in 310 BCE. The memorial was first conceptualised in 1984, but the plan to have a National Police Memorial was only first proposed when Atal Bihari Vajpayee was the prime minister.

Awareness on Anti-Drug

VENUE: CAMPUS.

**Report:** An anti-drug awareness program was conducted in the institute under nss unit. Sri. Srinivasarao, Taskforce DCP, Vijayawada and Sri. Varma, Taskforce ACP, Vijayawada were invited as chief guests for creating an awareness on the ill-effects of drug and alcohol consumption, in a comprehensive manner. Sri. Srinivasarao in his motivational speech, informed that every day India sees 10 suicides related to drug abuse. He also added that a report by the central government demonstrated that the vast majority of youth are receiving drug and alcohol prevention messages from sources such as TV, radio, posters and pamphlets, movie ads and campaigns as this. The government of India is taking every visible effort to prevent teen drug use via the national youth anti-drug media campaign, especially for those making the difficult transition from schools to colleges via their national-level anti-drug policies. Principal in this event stated that youth only can save themselves by conducting large number of events campaigning the anti-drug messages to make a significant impact in the society.

## విద్యార్థులు డ్రగ్స్ కు దూరంగా ఉండాలి
