

7.1.11 National Festivals/ Leaders

Vikas College of Engineering & Technology Organizes National Festivals and Birth and Death Anniversaries of great Indian Personalities with enthusiasm. Our students are on a mission towards better India by breaking the boundaries of religion and caste. Thoughts of great Indian personalities sowed into the young minds through the exhibitions and programs conducted on these days. The institution practices pluralist approach towards all religion functions and encourages the students and faculty to showcase the same. Every year our institute organizes the national festivals and birth / death anniversaries of the great Indian personalities. Staff and students get to know the importance of national integrity in the country in general and their role in it in particular.

1. **26th January Republic Day**- Republic Day is celebrated on January 26 to commemorate the adoption of constitution.
2. **15th August Independence day**- It is celebrated every year. It is a grand event marked with the flag hosting by the Chief Guest and well-practiced march-past by many teams of Security Personals. cultural activities related to independence movement are exhibited
3. **5th September(Dr.Sarvpalli Radha Krishnan Birth Anniversary)**- On 5th September, we celebrate Dr. Radhakrishnan's birthday as Teacher's Day with great fervour. The students organize a programme for the teachers and students are celebrated.
4. **2nd October Mahatma Gandhi Birth Anniversary**.- A standout amongst the most mainstream events in India and one of the three national occasions, Gandhi Jayanti is praised in our Institute on 2nd October of consistently to stamp the birth commemoration of Mahatma Gandhi.
5. **3^{1st} October Ekata Divas** (Birth Anniversary of Sardar Patel)- it is celebrated as National Unity Day.
6. **15th September Engineers day** (Birth Anniversary of Sir Visvesvaraya) - We celebrate this day on 15th September consistently as an exceptional tribute to the best Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Local Festivals

1. Ugadi – Celebrated As The New Year's Day

The Vikas College of Engineering & Technology follow a trend of making a garland of banana leaves and hang them up on the door. New clothes, lights, and sweets followed special PUJA (prayer) make the day special.

2. Mini-Christmas – Commemorates The Birth Of Jesus Christ

The Vikas College of Engineering & Technology celebrate Mini-Christmas is not only an important festival for the people of Andhra Pradesh but for the entire world. It is observed to commemorate the birth of Jesus Christ on Earth. The day beautifully starts listening to the church choirs describing the scared deeds of Jesus.

3. Dussehra – Celebrates The Victory Of Good Over Evil

The Vikas College of Engineering & Technology celebrated every year and ayudha pooja. The festival of Dussehra is popularly known as Vijayadashami and Dasara in the south. Vijayadashami is celebrated for 10 days where people pay their respect to Goddess Durga.

CELEBRATION OF GANDHI JAYANTHI

DATE:02.10.2016

VENUE: VIKAS COLLEGE OF ENGINEERING & TECHNOLOGY, NUNNA.

REPORT

Mahatma Gandhi led the national freedom struggle against the British rule. The most unique thing about this struggle was that it was completely nonviolent. Mohan Das Karamchand Gandhi was born on 2nd October, 1869 at Porbandar in Gujarat. After finishing his early education in India, he sailed to England in 1891 and qualified as Barrister. In 1894, Gandhi went to South Africa in connection with a law suit. The political career of Gandhi started in South Africa where he launched a Civil Disobedience Movement against the maltreatment meted out to Asian settlers. In 1916, he returned to India and took up the leadership of National Freedom Struggle.

World Students' Day is celebrated every year on October 15 on former President Dr. A. P. J. Abdul Kalam's birthday. In 2010, the United Nations declared October 15 to be World Students' Day. Students are the future. Students are the people and the minds that are going to take our countries forward. No matter their background or their field of study, we should always celebrate those who want to further their knowledge, with a lot of students going to great lengths to do so. Dr Kalam was a dedicated teacher and identified himself foremost in that role before anything else. His love for students, finds best voice when he said, "*Dream, Dream, Dream, Dreams transform into thoughts. And thoughts result in action.*" He had famously said that teachers are the builders of society and the society can be built only when the students are made proficient in their subjects. He further added that they have to provide a vision for life to the students and also inculcate the fundamentals of values which they should practice in years to come.

Date: 6/12/2016

We offer our heartfelt gratitude to the NSS Unit and volunteers of VIKAS College of Engineering & Technology for working in their strength in Dr. B. R. AMBEDKAR's Death Day Program at our School.

As a part of this, they have participated and expressed about some of the important points about the life history of our 1 Law Minister. They also talked about the fundamental duties and fundamental rights that the constitution has given to us for the students and make them clear about the duties as well as rights.

In this connection, we appreciate the NSS Co-Ordinator and Volunteers for organizing such an important program in our school.

Hope, they will continue to do so in near future too.

APPRECIATION LETTER

We offer our heartfelt gratitude to the NSS Unit and volunteers of VIKAS College of Engineering & Technology for working to their strength in Dr. B. R. AMBEDKAR's Death Day Program at our school.

As a part of this, they have participated and explained about some of the important points about the life history of our 1 Law Minister. They also briefed about the fundamental duties and fundamental rights that the constitution has given to us for the students and made them clear about the duties as well as rights.

In this connection, we appreciate the NSS Co-Ordinator and Volunteers for organizing such an important program in our school.

Hope, they will continue to do so in some future too.

The birth of the Second President of India Dr.Sarvepalli Radhakrishnan, on September 5th, is celebrated as Teachers Day. When he became the President of India, some of his students and friends requested him to celebrate his birthday on 5th September. He had replied that he would be honoured if the contribution of all teachers would be observed on that particular day instead of celebrating his birthday. And ever since then, 5th September every year has been celebrated as teachers day

DATE:02.10.2018

VENUE: SEMINAR HALL.
REPORT

REPORT
Mahatma Gandhi led the national freedom struggle against the British rule. The most unique thing about this struggle was that it was completely nonviolent. Mohan Das Karamchand Gandhi was born on 2nd October, 1869 at Porbandar in Gujarat. After finishing his early education in India, he sailed to England in 1891 and qualified as Barrister. In 1894, Gandhi went to South Africa in connection with a law suit. The political career of Gandhi started in South Africa where he launched a Civil Disobedience Movement against the maltreatment meted out to Asian settlers. In 1916, he returned to India and took up the leadership of National Freedom Struggle.

World Students' Day is celebrated every year on October 15 on former President Dr. A. P. J. Abdul Kalam's birthday. In 2010, the United Nations declared October 15 to be World Students' Day. Students are the future. Students are the people and the minds that are going to take our countries forward. No matter their background or their field of study, we should always celebrate those who want to further their knowledge, with a lot of students going to great lengths to do so. Dr Kalam was a dedicated teacher and identified himself foremost in that role before anything else. His love for students, finds best voice when he said, "Dream, Dream, Dream, Dreams transform into thoughts. And thoughts result in action." He had famously said that teachers are the builders of society and the society can be built only when the students are made proficient in their subjects. He further added that they have to provide a vision for life to the students and also inculcate the fundamentals of values which they should practice in years to come.

NATIONAL YOUTH DAY

DATE: 12.01.2018

VENUE: SEMINAR HALL. REPORT

It was a decision of Government of India taken in 1984 to celebrate the birthday of great Swami Vivekananda, i.e. 12 January, as National Youth Day every year. The Government of India quoted that 'the philosophy of Swamiji and the ideals for which he lived and worked could be a great source of inspiration for the Indian Youth Day. On 12 January 2013, Former Indian Prime Minister Manmohan Singh told in his address at the inauguration of four-year-long celebrations of Swami Vivekananda's 150th birth anniversary. What Gandhiji said captures the great importance of spreading Swami Vivekananda's ideas and ideals among the youth in our country today. He personified the eternal energy of the youth and their restless quest for truth. It is entirely fitting that the Government of India has declared 12th January, the birthday of Swami Vivekananda, as National Youth Day. We must work to rekindle the eternal message of this great patriot and son.

APPRECIATION LETTER

We offer our hearty gratitude to the NSS Unit (50214030) and volunteers of VIKAS College of Engineering & Technology for working to their strength to Dr. B. R. AMBEDKAR'S Death Day Program at our School.

As a part of this, they have participated and explained about some of the important points about the life history of our 11th Minister. They also briefed about the fundamental duties and fundamental rights that the constitution has given to us for the students and made them clear about the duties as well as rights.

In this connection, we appreciate the NSS Unit/Instructor and Volunteers for organizing such an important program in our school.

Hope, they will continue to do so in near future too.

It was a decision of Government of India taken in 1984 to celebrate the birthday of great Swami Vivekananda, i.e. 12 January, as National Youth Day every year. The Government of India quoted that 'the philosophy of Swamiji and the ideals for which he lived and worked could be a great source of inspiration for the Indian Youth Day. On 12 January 2013, Former Indian Prime Minister Manmohan Singh told in his address at the inauguration of four-year-long celebrations of Swami Vivekananda's 150th birth anniversary. What Gandhiji said captures the great importance of spreading Swami Vivekananda's ideas and ideals among the youth in our country today. He personified the eternal energy of the youth and their restless quest for truth. It is entirely fitting that the Government of India has declared 12th January, the birthday of Swami Vivekananda, as National Youth Day. We must work to rekindle the eternal message of this great patriot and son.
