Our College is committed to impart Quality education to the youth enabling them to develop the right attitude, professional competence and inculcating the right ethical values. There is a formally stated Quality Policy.

- Providing excellent infrastructure and conducive learning environment
- Building a harmonious work culture and motivating everybody to contribute the best.
- Proactively responding to changing needs of industry, parents and the society by embracing latest technological trends in the field of education.
- Complying with requirements of ISO 9001:2008 Standards and striving continually to improve the quality of operations of the Institution.

### Strategic plan

By taking into consideration above mentioned aspects, the following is the strategic plan for the quality enhancement of the Institution:

- Aim to get autonomous status for the institution by 2021-22.
- Strengthening the student development and campus facilities, Enhance the output in research and consultancy.
- Enhance the industry institute collaborations. Standardizing the ICT based teaching-learning processes. Improve internal support system.
- Strengthening alumni.
- All the above strategic plans are monitored by the IQAC that meets often and decide on academic quality control issues.

Apart from the above, the Institution's strategic plans critically examine the grooming of the students for rewarding with excellent future by meeting various challenges. The major thrust of the strategic plan is to achieve standardized improvement in the quality of technical education, as the Institution imparts in line with the Vision and Mission of the institution. It also aims to meet the expectations from all the stakeholders' viz. Students, teachers, parents and employers to achieve improved levels of satisfaction.

### Perspective Plan for development:

Krishna Dt., A.P.

The Institution certainly has plans for its all round development and accordingly several perspective plans are designed viz. Improvement, up-gradation and refinement of the existing set up which is an unending process and the Institution will never lag behind this progression.

The Institution has spacious campus which offers great potential for the development of further infrastructure. The institution is planning to build a hostel building on the campus shortly for boys. Many such ambitious projects can be taken up for implementation in the days to come.

- To establish better academic practices and procedures.
- To be a choice for good quality students and competent faculty.
- To produce technically competent and ethically strong graduates.
- To encourage Research & consultancy.
- To develop a smart campus.
- To offering value added certificate programs.
- To organizing National/International Conferences.

**Activity successfully implemented Training & Placement Cell** provides the opportunities from various reputed firms and industries. To enhance the student's knowledge training on problem solving, Soft skills, Personality development classes are conducted by external resources persons. Soft skills and relevant information ensures that the students will develop confidence and are ready to face the selection process. These are very much useful for students to write competitive, placement exams and higher studies. Manage all student progress and prepare required strategies to complete all programs and ensure compliance to affiliated university regulations.
