E-GOVERNANCE POLICY

1. Implementation of E-governance in various functioning of the institution.
2. Achieving efficiency in our functioning.
3. Achieving paperless administration of the institution.
4. Promoting transparency and accountability
5. Facilitating online communication between various entities of institute. 6. Facilitate easy access to information.

POLICY:

1. In order to provide simple and efficient system of governance within the institute, it is decided to adopt and implement e-governance in maximum activities of our functioning.
2. The institute has already started with e-governance in some aspects of functioning like administration, finance and accounts, academics and library. But now the management have resolved to implement e-governance in more areas and with this in view have drafted this policy framework.

E-governance is the integration of Information and Communication Technology (ICT) in all the working processes of the system. It aims to minimize the manual efforts and improve the communication, create transparent system, and to be cost and time effective

1. Administration: To provide a hassle free and convenient process maximum of the administration of the institute should be handled with ICT tool based technology. Course fee with due dates for payment, backup of data, posting of news or events are done here. Facilities should be provided for online leave management of employees, copy of salary certificate etc.,
2. Planning and Development: The institute uses ICT in the process the planning of college events, activities and academics. The college uses software for planning and developing Lesson plan, Individual student performance. Important notices, reports and communication are also circulated to the faculty as well as students.
3. Finance & Accounts: The fee for each student and due dates, daily fee collection and annual budget for each branch etc are made available in this section.
