Title of the Event	Tree Plantation Programme
Event Start Date	13.09.2022
Event End Date	13.09.2022
Description	<p>A campaign to plant trees has been arranged by the Vikas College of Engineering and Technology NSS Unit. We have a moral obligation to preserve nature in all its forms since it is essential to our existence. It's not too difficult to imagine that humans would not live on our lovely world if trees didn't exist. We have also noticed a decrease in pollution and a shift in the purity of the environment. One of the unfavorable side effects of the ensuing industrialization and urbanization is global warming. This occasion is a step in the right direction toward creating a healthy environment, reestablishing human contact with the natural world, and encouraging environmental care.</p>
