Title of the Event	Tree Plantation Programme
Event Start Date	13.09.2022
Event End Date	13.09.2022
Description	<p>A campaign to plant trees has been arranged by the Vikas College of Engineering and Technology NSS Unit. We have a moral obligation to preserve nature in all its forms since it is essential to our existence. It's not too difficult to imagine that humans would not live on our lovely world if trees didn't exist. We have also noticed a decrease in pollution and a shift in the purity of the environment. One of the unfavorable side effects of the ensuing industrialization and urbanization is global warming. This occasion is a step in the right direction toward creating a healthy environment, reestablishing human contact with the natural world, and encouraging environmental care.</p>

Description	Vikas college of Engineering and Technology has conducted Dental Camp on 11.10.2022. After a thorough assessment of the students, teachers, and villagers, notes are written on each student's dental health card. If students had any reason to be concerned, they were advised to schedule a follow-up appointment with their dentist. The camp turned out to be very beneficial for the adopted village residents as well as the college students and staff. The significance of practicing proper oral hygiene was not only emphasized, but it also helped identify any dental conditions the students might have had, such as cavities, caries, or irregular tooth eruption.
