4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Central Library at Vikas College of Engineering & Technology is fully automated with an Integrated Library Management System, named as Engineering College Automation Package (ECAP) with 5.2 version. ECAP allows the administrator to insert, update, delete and view the details such as book, member, author, subject, department, supplier/publisher, book bank, reports in the cataloguing module.

MODULE DESCRIPTION

1. Cataloguing
2. Counter Service
3. Admin
4. Acquisition and Serial Control
5. Search
6. Reports

1. Cataloguing

The cataloguing module contains details regarding author, department, subject, course, supplier, Publisher, member, member updating, book, book updating, book bank and non books.

2. COUNTER SERVICE

This module deals with issue and return of books, journals etc.

3. ADMIN

In this module, the user information of both the students and staff are stored.

4. ACQUISITION AND SERIAL CONTROL

Here supplier information is also maintained which in turn helps to know the number of orders which is placed with the supplier.

5. SEARCH

This module is used to search various kinds of book types.

6. REPORTS

In this, various reports can be prepared and taken printout by the admin as per the requirement.

In this, various reports can be prepared and taken printout by the admin as per the requirement.

Central Library

Vikas College's library is a key resource for students and faculty, offering a wide range of books, journals, and digital materials. It features modern facilities like computers and comfortable study spaces. The library supports learning and research, providing services like

Center of Excellence

Vikas College's laboratories are equipped with the latest tools and technology, supporting hands-on learning in various subjects. They offer practical experience and are supervised by experienced faculty, helping students apply classroom theory in real-world situations. These labs play a key role in the college's

Computing Facility

Vikas College's Computer Labs are equipped with the latest computers and software, providing students a space to develop IT skills, work on various computing projects, and learn new technologies. These labs are essential for computer and tech-related courses, offering a practical learning environment.

Dear Sir/Madam,

Sub: Establishing SWAYAM NPTEL Local Chapter in your college

Greetings from the NPTEL office.

This is to acknowledge the receipt of your letter accepting to host SWAYAM NPTEL Local Chapter in your institution.

The **Single Point of Contact (SPOC)** nominated from your college is

Name of SPOC: MR. P V L N PHANI
Designation: ASSISTANT PROFESSOR
Department: ECE
Contact No(s): 9493144608
E-mail id: spocvikas@gmail.com

We wish to inform you that all future correspondence related to NPTEL contents and online courses will be made to the afore-mentioned SPOC. He/she will be routinely updated with all the latest NPTEL initiatives which then may be circulated among the students.

We are also happy to share that a dedicated SWAYAM NPTEL Local Chapter web page is being created and your institution will have a separate page on it (<http://archive.nptel.ac.in/LocalChapter>)

Thanking you.

Sincerely

Prof. Andrew Thangaraj
NPTEL Coordinator
