Dear | Vijaya sivani singamsetti |

At She ARISE 2.0 Employability training program (Under CSR initiative of Capgemini), we take pride in helping talented students like you and provide them with a learning exposure and environment (including giving an exposure to some Live Projects) so that they can enhance or acquire new working skills and this could help·in preparing you for the jobs of the future with no cost.

Centum Foundation is the Digital Academy Training partner in this training program.

We are pleased to confirm and offer you an Industrial training under this project as per below terms.

Start Date of She ARISE.2.0 programme	16 March 2023
Training Duration	500 Hours
Mode of Training	Hybrid
Training Curriculum	Full Stack Developer (Java Enterprise Edition)
Training Center	Vikas College of Engineering & Technology
Date of Offline training start	04-05-2023
Candidate's Degree	B. Tech
Candidate's Degree Pass-out year	2023
Candidate's Stream/Branch of Degree	CSE
Candidate's Base location	Vijayawada

* Base location implies the current residence address of trainee.

Trainee will present in all physical and online sessions as informed and any change in the mode of training will be communicated by the program management team basis organization guidelines.

Please review the Terms & Conditions below:

1. Non-Disclosure Agreement (NDA) is required to be signed by all the trainees to ensure compliance of Capgemini training program data security and privacy policies. The conditions of the NDA apply even while you are in a remote location at present and not in the base location. (Please keep us informed of your remote location at all times)

Vidya Technos
Blockchain & Cyber Security Experts

Dear V. Sireesha,

Subject: Letter of Intent

Ref: Examination and Interviews Conducted in the College Campus   Dated: 13-April-2023

We are pleased to inform you that you are selected by us in the Campus Interviews in to our Organization Provided:

1. You are Medically Fit, by the time of joining in to Payroll, having completed academic course of Engineering from respective branch with minimum grade of First Class or Equivalent Grade

2. You will undergo for an intensive training on "Internet of Things - (Basic and Industrial IOT)" for a period of 2 months or 60 to 80 Hours, whichever is earlier, in the college campus itself. Upon completion, You will go for an Interview process both theoretically and practically on IOT. If you are NOT up to the mark, will go for another round of intensive training at Campus itself or at our location. Payroll starts, only after successfully completed HTD Process. Upon Completion of Training our Clients like **ChipInTech Embedded Solutions, SandLogic**, etc.. will do an interview and select the candidates based on Merit and will be placed at those Clients or in our Product Development itself.

3. Following are the list of Prerequisite Technologies You should familiar with and got certified at your own pace online in addition to IOT. Link to the portal and credentials for you will be shared at later point of time once HTD model starts hopefully 2nd week of May 2023.

S. No	Technology Skills
Mandatory Technology Skills	
1	Introduction to Cloud
2	SQL and Relational Databases
3	GitHub Fundamentals
4	Shell Scripting Fundamentals
5	Linux Fundamentals
6	Business Problems Optimization
7	Java Applications Modernization
8	DB2 Essentials on Cloud
9	Data Privacy Fundamentals
Any 4 Out of 8 Mandatory Skills	
1	Data Science Fundamentals
2	Applied Data Science using Python
3	Big Data Fundamentals
4	Hadoop Fundamentals
5	Spark Fundamentals
6	Deep Learning Fundamentals
7	Docker Fundamentals
8	DevOps Fundamentals

Dear B. Kaveri,

Subject: Letter of Intent

Ref: Examination and Interviews Conducted in the College Campus   Dated: 13-April-2023

We are pleased to inform you that you are selected by us in the Campus Interviews in to our Organization Provided:

1. You are Medically Fit, by the time of joining in to Payroll, having completed academic course of Engineering from respective branch with minimum grade of First Class or Equivalent Grade

2. You will undergo for an intensive training on "Internet of Things - (Basic and Industrial IOT)" for a period of 2 months or 60 to 80 Hours, whichever is earlier, in the college campus itself. Upon completion, You will go for an Interview process both theoretically and practically on IOT. If you are NOT up to the mark, will go for another round of intensive training at Campus itself or at our location. Payroll starts, only after successfully completed HTD Process. Upon Completion of Training our Clients like **ChipInTech Embedded Solutions, SandLogic**, etc.. will do an interview and select the candidates based on Merit and will be placed at those Clients or in our Product Development itself.

3. Following are the list of Prerequisite Technologies You should familiar with and got certified at your own pace online in addition to IOT. Link to the portal and credentials for you will be shared at later point of time once HTD model starts hopefully 2nd week of May 2023.

S. No	Technology Skills
	Mandatory Technology Skills
1	Introduction to Cloud
2	SQL and Relational Databases
3	GitHub Fundamentals
4	Shell Scripting Fundamentals
5	Linux Fundamentals
6	Business Problems Optimization
7	Java Applications Modernization
8	DB2 Essentials on Cloud
9	Data Privacy Fundamentals
	Any 4 Out of 8 Mandatory Skills
1	Data Science Fundamentals
2	Applied Data Science using Python
3	Big Data Fundamentals
4	Hadoop Fundamentals
5	Spark Fundamentals
6	Deep Learning Fundamentals
7	Docker Fundamentals
8	DevOps Fundamentals

If you are NOT up to the mark, will go for another round of intensive training at Campus itself or at our location. Payroll starts, only after successfully completed HTD Process. Upon Completion of Training our Clients like **ChipInTech Embedded Solutions, SandLogic,** etc.. will do an interview and select the candidates based on Merit and will be placed at those Clients or in our Product Development itself.

3. Following are the list of Prerequisite Technologies You should familiar with and got certified at your own pace online in addition to IOT. Link to the portal and credentials for you will be shared at later point of time once HTD model starts hopefully 2nd week of May 2023.

S. No	Technology Skills
	Mandatory Technology Skills
1	Introduction to Cloud
2	SQL and Relational Databases
3	GitHub Fundamentals
4	Shell Scripting Fundamentals
5	Linux Fundamentals
6	Business Problems Optimization
7	Java Applications Modernization
8	DB2 Essentials on Cloud
9	Data Privacy Fundamentals
	Any 4 Out of 8 Mandatory Skills
1	Data Science Fundamentals
2	Applied Data Science using Python
3	Big Data Fundamentals
4	Hadoop Fundamentals
5	Spark Fundamentals
6	Deep Learning Fundamentals
7	Docker Fundamentals
8	DevOps Fundamentals

Gumpena Sangeetha
847, Road No 5, Blossoms Girls Hostel
Phase 1, Hyderabad - 500072
Phone No: 9491488755

Subject - Offer of Appointment

Dear **Gumpena Sangeetha,**

It is our pleasure to welcome you to Tech Mahindra Limited.

1.   With reference to our discussions, we are pleased to offer you appointment in our Organization as **Associate Technical Support** on **U1** band, operating out of our **Hyderabad** office.

2.   (a) You will be on probation for a period of 3 months from the date of joining the Company during which you will be on training covering the complete process and projects or services, mandated by the customer of the Company. In case your performance is not found satisfactory during the period of probation, the Company may choose to terminate your services with immediate effect without serving written notice or pay in lieu of notice.

   (b) Unless informed in writing of the extension of your probation period, for whatsoever reason/s, your employment with the Company will stand automatically confirmed upon successful completion of probation period including successful completion of the training mandated by the customer of the Company.

3.   Your "Annual Total Cash Compensation" will be **Rs. 259205 (Rupees Two Lakhs Fifty Nine Thousand Two Hundred And Five Only).** Please refer **Annexure-A** for details on the compensation and statutory deductions.

4.   Your remuneration package is strictly confidential between you and here after, referred as The Company and should not be discussed with anyone nor divulged to anyone in any manner whatsoever.

5.   Your employment with us will be governed by terms and conditions as specified in **Annexure-B.**

6.   You are required to join on **24th May, 2023** at the below mentioned location. The Offer stands withdrawn thereafter, unless the date is extended and communicated to you in writing.

7.   On the date of joining, you are requested to report to **Susma Sugumaran at 12:00 PM** to complete the joining formalities at **Tech Mahindra Limited, SEZ Block, Unit V, Bahadurpally, Hyderabad - 500043.** At the time of joining, you are expected to carry originals of the documents as per **Annexure – D** and submit the copies of the same to the HR Team.

Dear M.UDAY SAI KUMAR REDDY

Subject: -Conditional LOI

This Conditional **LOI** is in the reference of the interviews that you had with us; we are happy to offer you the position of **Trainee Analyst** with **Savantis India.**

Your place of training will be at **Hyderabad.** During the training period you are neither paid nor charged anything.

Please note you should not have any Active Backlogs during the time of training.

Also note that your final appointment will be subject to successful completion of the training and final assessment by end client. On selection by the end client, you will be provided Appointment letter.

Your training location will be **Hyderabad.** However, the deployments' location will be based on client's requirements. The working hours define on specific project's needs, which may include working in different shifts on client's requirements. From time to time, you may be required to travel different locations within India or overseas as well.

On the first day of training, you need to bring self-attested photocopy and original documents of following documents for verifications and records.

1. Birth Certificates.
2. Original and self attested copy of all Academic certificates starting from 10th,12th and Graduation along with marksheet.
3. ID Proof (Voter ID/ Passport)
4. Address Proof (Aadhaar Card Mandatory)
5. Pan card
6. 3 Passport size photographs.

On successful appointment you will be paid **Rs 18, 500/- (Eighteen Thousand Five Hundred only)** per month as stipend amount and working as **Trainee Analyst.** You will always have opportunity to absorbed by the client and grow to a senior position from future career perspective.

The training will commence on **9/5/2023** Your final assessment dates from the client will inform you during the training period.

Welcome to Savantis India Family.

Sincerely,
