7.1.7 The Institution has disabled-friendly, barrier free environment

Policy Document on Disabled Friendly, Barrier Free Environment

Vikas College of Engineering & Technology formulated a specific policy to keep the campus disabled friendly, and to take every possible measure to provide a barrier free environment to the Divyangjan:

- All the stakeholders of the college should consider the opportunity to serve the differently abled students as a privilege.
- The class to which a differently abled student is admitted should be shifted to a room to which he/she can have the easiest and shortest access.
- The students belonging to the Divyangjan need not approach the office for any administrative purpose. The administrative staff should meet the differently abled student in the class room or at a spot most convenient for her to carry out her needs.
- No stakeholder should ever discriminate a student belonging to the Divyangjan.
- A barrier free environment should be provided so that the differently abled students can move about without obstacles anywhere in the campus.
- A table closer to the entrance of library is specially set apart for the differently abled students.
- Grievances relating to any matter of the persons with disabilities are treated as a special case and resolved immediately.
- The library staff should provide the students with the books the differently abled students request through e-mail.
- In the college canteen a table is separate for the differently abled students.
- The vehicle of a differently abled student can come into the campus to the nearest point
